SUMMER 2012 NEWS FOR FAMILY & FRIENDS

## How the Farm Supports Recovery

*Summer Solstice raises funds for farm projects*

Each year during Hopewell's annual Summer Solstice benefit, generous guests "raise their paddles" to help Hopewell further its mission of helping people with serious illness find hope and healing.

This year's funding is earmarked for much-needed farm improvements.

Key to recovery at Hopewell is the work of the farm. From animal care to the vegetable garden to maintaining pastures, residents are involved in all aspects of farm life. This meaningful work builds confidence and connects people to each other and to the earth.

According to Joel, a Hopewell resident, working hard is healing for him. "Taking on a project at the farm is like meditating to me," he says. "I focus on what I'm doing, and when I'm done I have such a different outlook. It's a huge stress reliever."

When you have more than 300 acres and 50-plus animals to care for, there is never a shortage for something to do. Every morning, residents and staff head off to work.

## LOOK FOR THE FABULOUS 15 AUCTION ITEMS

We know it's hard to choose from the many wonderful silent auction items at the Summer Solstice, so this year, the auction committee is making it a little easier for you to find some of the most noteworthy treasures.

The things you won't want to miss are included in the "Fabulous 15" and will have special storyboards to highlight their inclusion in this select group.

From a local brewery tour to beautiful china to exclusive wines, look for the Fab 15 on June 22nd or visit our website [www.hopewell.cc](http://www.hopewell.cc) and click on About Us then Photo Gallery. ■

# Our Summer Solstice Community

AT HOPEWELL, WE COME  
TOGETHER TO PLAN OUR DAY,  
WORK, EAT AND LEARN.

You probably do the same with your family, friends and colleagues. Being a part of a community is part of everyday life, but that doesn't mean that it is easy for someone with a severe mental illness.

Before finding Hopewell, many of our residents lived in isolation. They were trapped by their disease, unable to make friends or trust family members. At Hopewell they have the time, space and support to learn that togetherness is a good thing. There is strength and healing in it.

On Friday, June 22nd, we hope you will join our community as a guest at our annual special event, the Summer Solstice.

This year, we're raising funds to support several much-needed farm improvements. The farm is one of the most important aspects of recovery at Hopewell. People come together to care for animals and the land and in doing so, work for a larger cause – the good of the community.

Your presence at the Summer Solstice accomplishes a similar purpose – joining together for the larger cause of helping people with a serious mental illness. To those of you who return every year to celebrate with us – thank you! Your friendship is very meaningful to us. To those of you new to this wonderful party – welcome! You're in for a treat.

I look forward to seeing you all on the 22nd. Thank you.

### How the Farm Supports Recovery

#### The Crews

The garden crew and their green thumbs sustain the community in many ways. Residents take great pride in growing delicious vegetables and fruits that feed the community. This crew's wintertime work is making crafts for sale in the Farm & Craft Market.

Taking care of sheep, pigs, chickens, horses and cattle keeps the farm crew busy year-round. There is always an animal to feed or eggs to collect. According to Joel, "Whenever you feel down, spending time with the animals helps. Talking to them, grooming them makes me feel better."

The maintenance crew is the hard-working group of men and women you will find in the pasture mending fences, clearing trails in the woods or building birdhouses for our bird sanctuary. Their tireless work keeps the farm safe and beautiful.

#### The Need

Sustaining a working farm, however, is costly. While the day-to-day expenses are absorbed as part of Hopewell's budget, there are always necessary but unscheduled projects waiting to be completed.

By supporting the 2012 Summer Solstice Fund-a-Need, donors will help Hopewell improve one of its most valuable assets. With the money raised, Hopewell will build structures like animal shelters; make barn repairs; and purchase electric fencing, a plow, maple syrup equipment and more.

A well-functioning farm makes residents' recovery possible. We are thankful for your support.

If you are unable to attend the Summer Solstice but would like to help support our farm project, please call the Development Office at 440.247.0912 or go to [www.hopewell.cc/donate](http://www.hopewell.cc/donate) and mention Summer Solstice in the Comments area. Thank you! ■
